

# A LIFE-LONG INNER SONG OF LOVE TO TRANSFORM THE STORYLINE OF OUR DAYS

a bridging meditation between Studies 1–8 & 9–25 of  
'The Way To Human Freedom Teaching Series'

1. **The light of Your peerless life among us**  
Enfleshed Divine-Eternal-Son!
2. **Father's decree manifested in our midst**  
A humanity filled with Your timeless glory
3. **Holy Spirit Your age-long Witness**  
Dynamically heralding the new creation
4. **My own strong inner-stirrings**  
Foolish and self-obsessed
5. **My grand humanity tragically deformed**  
Darkened, accursed and condemned
6. *I in You*, crucified and damned to death  
The wonder of Your Self-abandoned love
7. **Your Resurrection and glorious Ascension**  
Pentecost's blessing: Spirit outpoured
8. **My heart opened to Your saving word**  
A radical change of mind begun
9. **My sins all forgiven, forever gone**  
Holy Spirit received, Your perfect gift
10. **Baptism's amazing proclamation**  
Dead, buried and made alive with You
11. **Old Adam-me is no more**  
Now, it is, only You
12. **A glorious *co*-ascension**  
*I in You* at Father's side—set apart!
13. **An ever-new eternal life**  
All of Yours is mine
14. **Your own righteousness credited to me**  
Your spring of freedom, humility and rest

15. **Your sparkling PLACE in Father's love**  
Your "Abba, Father" cry
16. **Your holy inner-stirrings**  
A blazing flame within
17. **Your jealousy for Father's Name**  
Delighting in His way
18. **Your ever-outflowing, urgent desire**  
His goodness, mercy and grace revealed
19. **Your deep intercessory yearnings**  
That relentless 'Yes' to Father's decree
20. **Your mind, no foolish mental chatter**  
His dear Presence and glorious plan
21. **Your thoughts, words and actions**  
Full of wisdom and love
22. **Your quiet, strong authority—authoring**  
The darkness overcome
23. *I in You, You in me*  
There's never a time when it is not so
24. **Darkness always pressing**  
The proclamation always true
25. **Father's will, Spirit's work**  
*I am here, this moment, in Your Name*
26. **No personal boast to *maintain***  
Lovely simplicity in midst of complexity
27. **Refusing all that grieves Holy Spirit**  
Embracing all He delights to bring
28. **Your likeness being formed**  
Father's pleasure the supreme reward
29. **Celebrating grand vocational liberty**  
A life laid-down to be gloriously gained
30.  ***Holding* the Final Day in view**  
That undiminished blessedness, forever!
